A Brave In Spirit

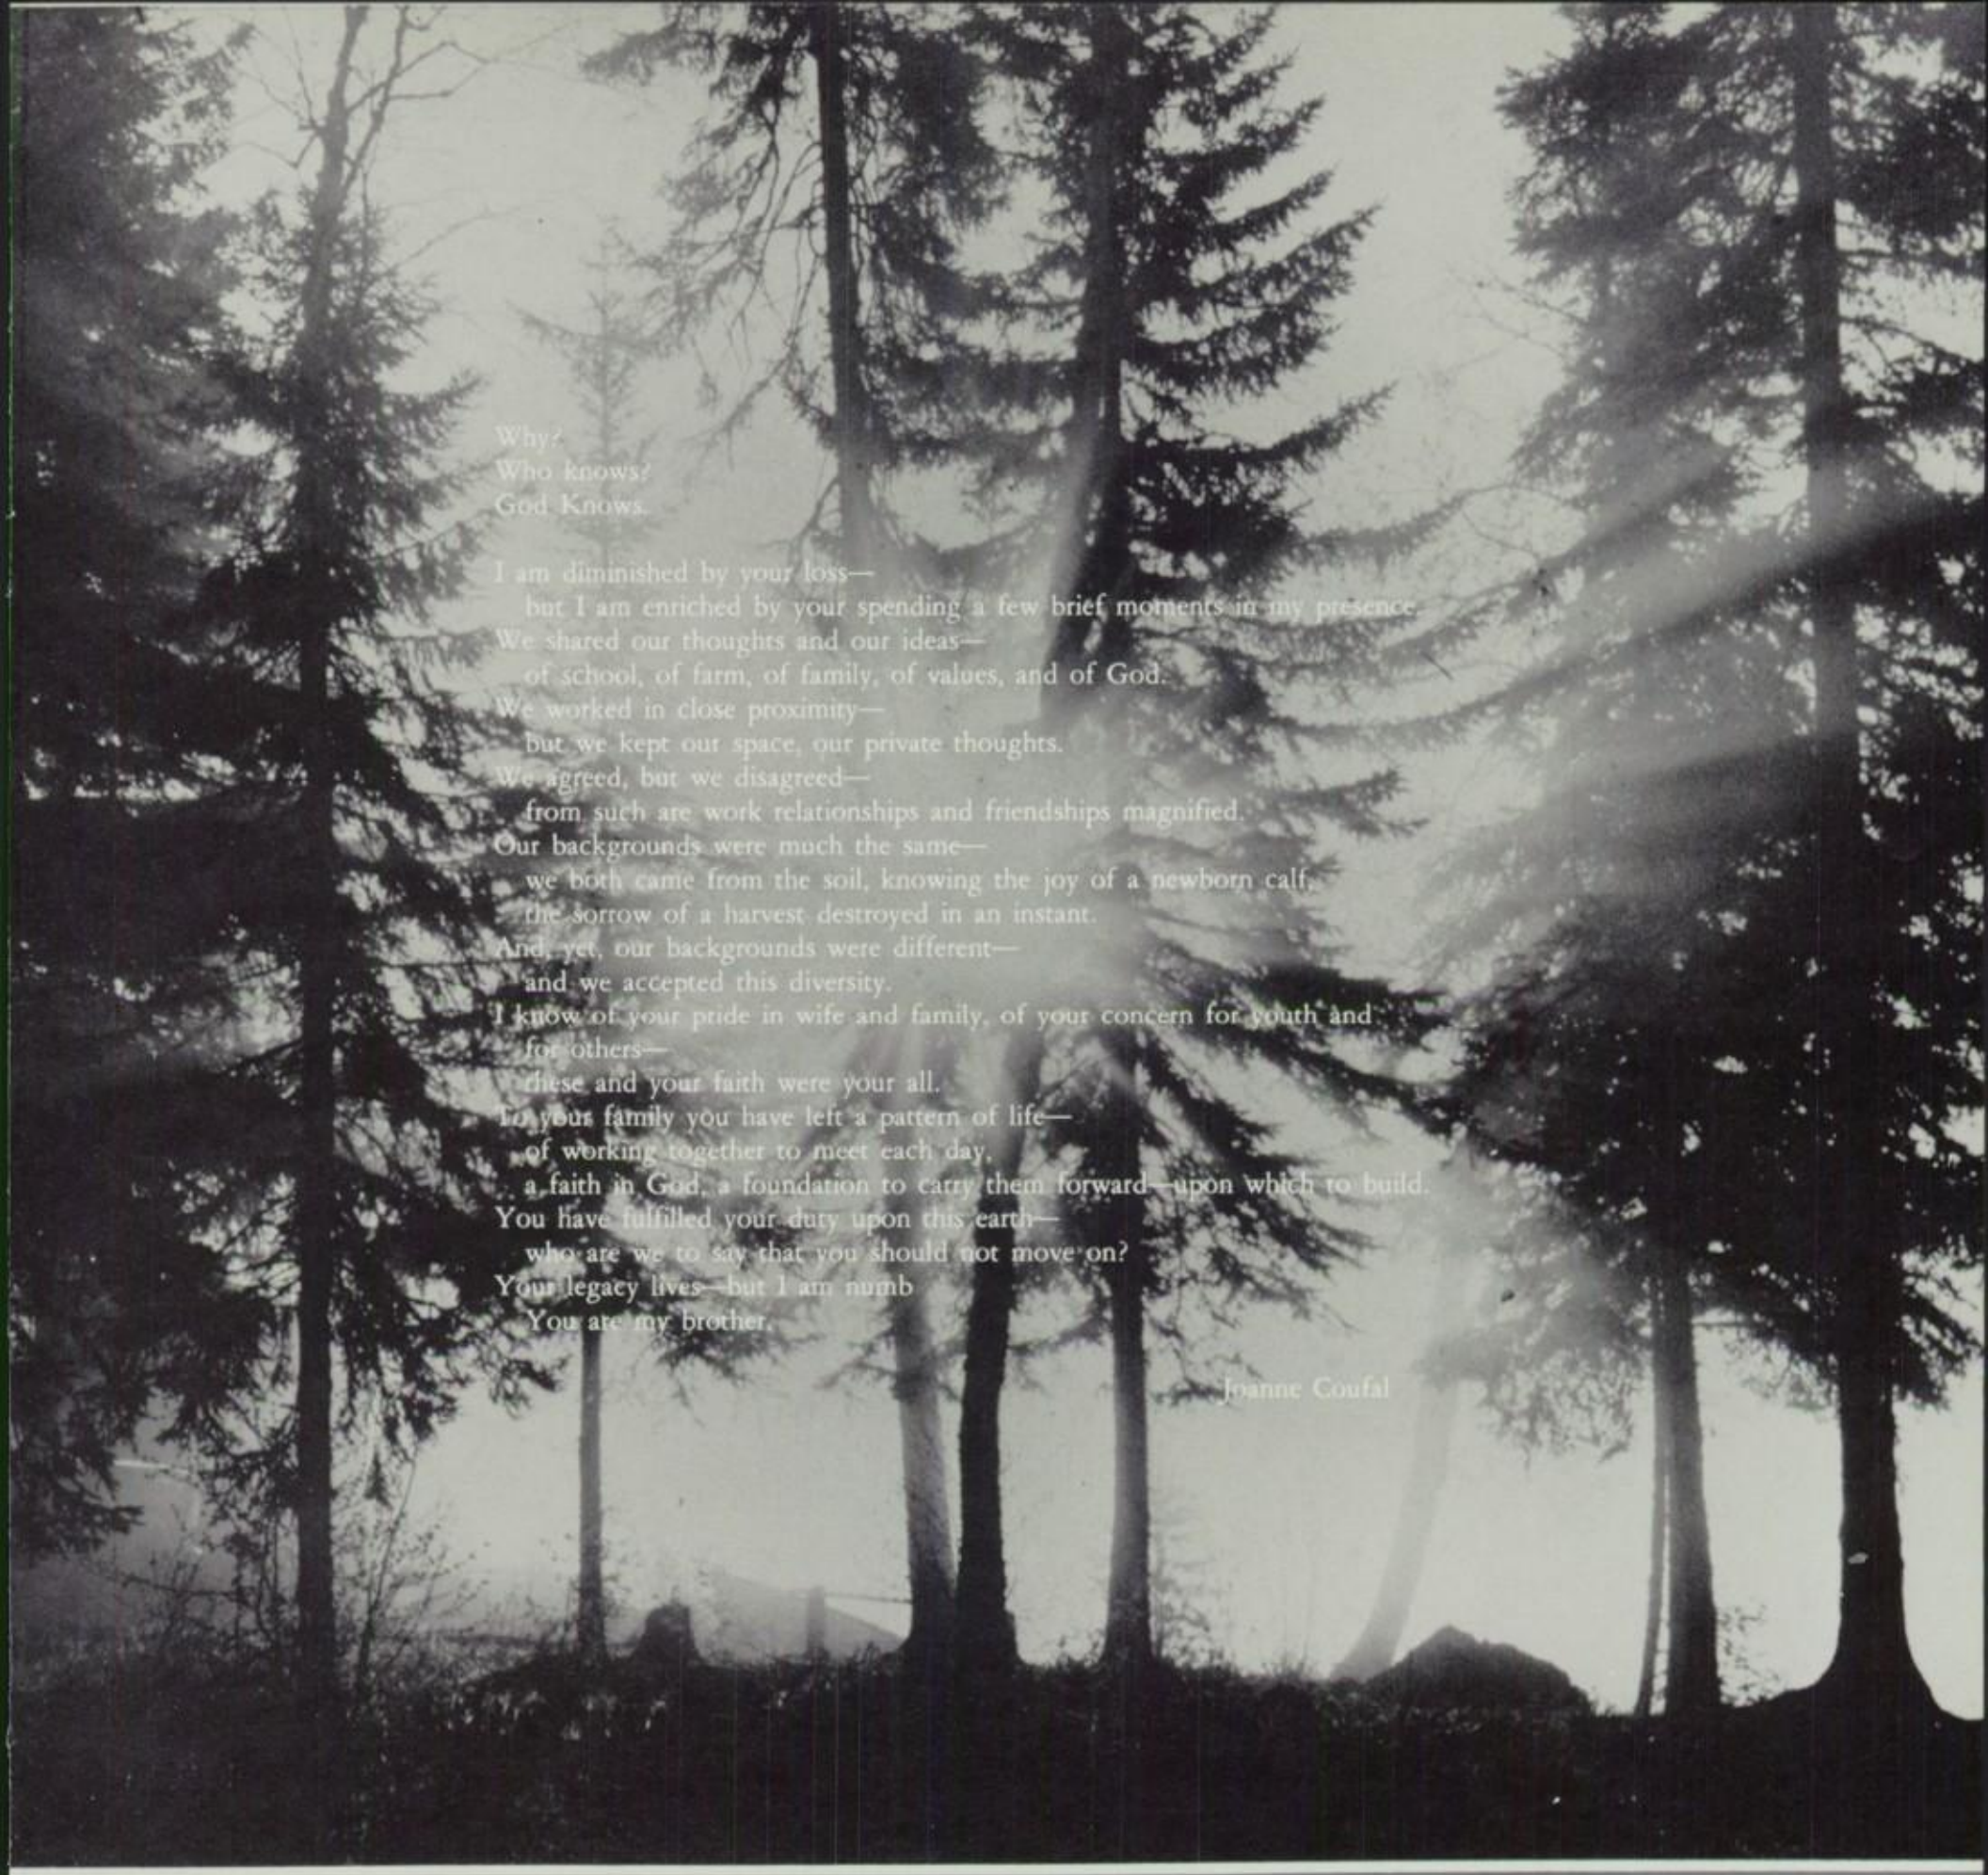
The person to whom this book is dedicated to was extremely hard to catch unaware of the camera. She has been a very involved member of Bethel's staff since January 5, 1973. She has been a highly dedicated, sincere person who has a definite warmth for people.

The high respect and understanding she has given students has made all of us appreciate her.

Although she is not a teacher she has a broad range of tasks. Her official title is Associated Student Body secretary. She helps prepare the school's budget and supervises the A.S.B. accounts. The athletics director also receives her assistance.

Not only is she a friend of the organizations advisors she is involved in various functions throughout the district. The Booster Club and the Recreation Association receive her support, as do most of Bethel's activities. "When I held the position of Vice Prinicpal, I considered her to be my right arm," remarked Mr. C.J. Knaggs.

We would like to dedicate the 1982 Bethelonian to Mrs. Donna Morgan. Thank you for your support and involvement.



Why?
Who knows?
God Knows.

I am diminished by your loss—
but I am enriched by your spending a few brief moments in my presence.
We shared our thoughts and our ideas—
of school, of farm, of family, of values, and of God.
We worked in close proximity—
but we kept our space, our private thoughts.
We agreed, but we disagreed—
from such are work relationships and friendships magnified.
Our backgrounds were much the same—
we both came from the soil, knowing the joy of a newborn calf,
the sorrow of a harvest destroyed in an instant.
And, yet, our backgrounds were different—
and we accepted this diversity.
I know of your pride in wife and family, of your concern for youth and
for others—
these and your faith were your all.
To your family you have left a pattern of life—
of working together to meet each day,
a faith in God, a foundation to carry them forward—upon which to build.
You have fulfilled your duty upon this earth—
who are we to say that you should not move on?
Your legacy lives—but I am numb
You are my brother.

What It Takes To Be A Senior

Being a Senior required many qualitites which many of us have developed over the three years we were educated here.

Bethel High School has been our home away from home for these past few years, and the warmth and family feelings are familar when looking back. We cared for our school and showed our pride at games, assembles, and other special events

Like any part of any family the children grow up and venture on their own to work, to college, to the military, or even just to travel. High school has done it's best to help us decide what to do for our future.

Seniors had many responsibilities. We had to display showmanship and leadership. We had to show what it takes to be a senior to the under class men. High school has done it's best to help us. We needed to learn by our mistakes and to cherish our accomplishments.

During this last year, 1982 came our ultimate goal: graduation. The excitement of knowing that you had accomplished goals, made new friends and learned new things that satisfied us all. The excitement filled years came to an end.

Some of our accomplished goals were obtained by the organization by our student council by the activities of our school. Tee shirts, Hats, Banners, Senior Ball and "Kick for Coke" were a few of the fundraisers the senior class sponsored. We showed who had the best class spirit by winning the Pow Wow skit competition.

For all these accomplished goals, friends, and our education, we needed help and guidence. With the help of Mr. Nelson, Mr. Pierson, Mr. Asklar, Mrs. Lakes. We were guided very well in our decisions. With the help of our advisors, the senior class officer: Glen Johnson, Lea Stancato, George Coles, Pam Crane, and LeeAnn Lindsey along with our representatives: Kim Stang, Anita Gray, Bob Hallock, Lisa Upchurch, and Dee Cox guided and governed the paths of the class of "82".

The Class Of "83" Has It All

The Junior Class played an important part of the Bethel High Student Body. 399 students supported B.H.S. through fund raisers that included doughnut sales throughout the year, "83 Undoubtedly" T-shirts, balloon sales, raffle tickets for the Prom and color dipped flowers.

The spirit and enthusiasm encouraged the Juniors to take part in successful money making projects.

The Prom took place November 21 and was decorated in shades of purple and shimmering silver. "Blind Alley" was the band that provided the entertainment throughout the night. Glenn Marzano and Brenda Taylor were crowned King and Queen.

"The Class of "83" has it all; brains, talent, athletic prowess, spirit, leadership and sincere dedication and loyalty to Bethel High School," commented Mr. George Risse, Junior Class Counselor.

The students cooperated in class activities and sports events throughout the year and proved to Bethel High School that we are "United in Spirit."

We're Enthusiastic!

The devoted sophomores were successful in the many fund raisers that they held. They started the year off by selling spirit flowers during football season. Sophomores also sponsored an after game dance during the basketball season.

The Freshmen challenged the sophomores to a Chain Link Competition, which was to see who could sell more links. They lost the contest but it turned out to be a good fund raiser anyway.

The enthusiasm for the Tolo was enormous, everyone seemed to want to get involved. Because of this, the dance was a success.

To promote spirit during basketball and wrestling tournaments, sophomores were in charge of decorating the Home Economics hall. The involvement in this was tremendous and was continued throughout the year.

The sophomore class was very athletic. This was shown by giving varsity teams contributions that normally aren't seen, the girls beat the juniors and seniors at powder puff football and won the overall game.

Climaxing the year, the sophomores served refreshments for the class of 1982 at their Baccalaureate service.

Freshmen Show Their Stuff

The Class of 1985 burst upon the Bethel High School scene with incredible enthusiasm and spirit. The halls buzzed with comments on the Freshmen's spirit and comments about the groups wide participation at pep assemblies and in school.

Freshmen placed second in the Pow Wow with its skit about the Rogers Ram that lost its horns. Then tied with seniors for the Pep Can at the pep assembly. In February the Class sponsored a series of activities and money makers in what was called Freshmen Month. Tee shirt sale, tootsieroll sale, the Chain Game contest with sophomores, and Rent-a-Cupid became the focus for fun! In an effort to promote goodwill the freshmen also promoted secret pal week. Freshmen signed up to be secret pals for juniors or seniors for a week. Plans for a class dance were also developed during the month. The Freshmen assembly taught the fight song and boosted feelings about being at the high school. The Freshmen class shows promise to generate lots of excitement in its future years at Bethel if the first year is any indication.

Officers were Lezlie Roach, president; Lynelle Peterson, vice; Gene Koerner, secretary; and Jeri Kay Lerew, treasurer. "This year has been excellent! The job of president is one I'll never forget!"

District Administration Had Trial Filled Year

3

Bethel School District had approximately 8,700 students in its schools during the 1981-82 school year.

Bethel's schools had some tough breaks with fires occuring in two of out schools. Naches Trail Elementary was still being reconstructed at the end of the year. Our high school had four classrooms and two storage rooms destroyed by a fire. Both schools maimed by fires hoped to have the respective areas open for the 1982 school year.

Our school board, which was made of five citizens from the community, was directly responsible for the decision making which effected all the schools throughout the district. Mrs. Greenlaw and Mr. Marshall were the two newly elected members.

The administrators established goals throughout the district. They wanted to improve discipline, character, citizenship, and pride among our students. The district also tried to increase community participation and improve communication between home and school.

Dr. Hausman, the superintendent of Bethel's school district summarized the year, "It was a very productive year, the best thing that happened was the opening of Spanaway Lake High School."

Bethel Overcomes

Many unique events strengthened Bethel High School during the 1981-82 school year.

It started off with the split into two schools with the ninth graders moving up into the Senior High, Spanaway Lakes delay of opening caused the first doubleshifting to occur since 1968.

A tragic school fire destroyed four classrooms. There was extensive smoke damage throughout the school. Mr. Rich recalled, "It was sad to see smoke billowing out of the school that night."

The loss of Mr. Glenn Weise had a big impact on Bethel. According to Mr. Rich, some of us may never recover because he was such an important part of the school. He also said, "It's sad that kids coming into the school will never meet him."

Of course there were other special events that highlighted the year. Sandy Furtaw chosen as Puyallup Valley Daffodil Queen, Darin Borden making it his second time as a State Champion Wrestler, Matt Taylor and Matt Fraser received outstanding awards in the state Debate Tournament, and our own Bravetalk received superior awards in Journalism.

Mr. Rich recalls the year as being, "both positive and negative, he hopes to eliminate the negative to produce more positive."

Counselors Concerned About Students

Survival in todays world means making decisions that affect our lives and those around us.

The Guidance Department helped students make decisions about careers, personal problems, sopt-high school plans and class schedules.

Counselors worked to meet the students needs. Child abuse was a major focus as was the opening of a new career center. A special seminar for Juniors concerning their career plans was provided in the spring.

The tragic death of head counselor Mr. Glen Weise left a void in the Guidence Department. His warmth, professionalism, and student concern was the guiding light for the Guidance Department.

Work Program was an alternative for students who didn't need or require a full academic schedule.

Students became involved in Work Program for various reasons. Some needed money, work experience or they were pursuing a career interest.

Approximately 200 students were involved in Work Program each trimester through the cooperation of the many fine organizations and businesses in our community.

Mr. Rawlings summed up the work program. "It gives students an opportunity to prove themselves that they have the ability to do something in an adult world.

Fine Arts Contributes to Bethel

Artistic talents at Bethel High School were centered around the Fine Arts Department. Students developed their talents in classes such as drawing, painting, ceramics, sculpture, band, choir, drama, and yearbook.

Each area of fine art produced something of value for our school, and community. Sport murals decorated the Ed Neihl Gymnasium, and outerspace murals were painted in the library. Showcases of student art were displayed. Choir and band concerts added to the community culture; as did outstanding dramatic productions. Annual staff produced a history of the school year.

With the shift of faculty to Spanaway Lake High School, many teachers had an opportunity to teach new courses for the first time. The fresh approach generated a new interest in many courses.

The Language Arts staff established a "student of the month" award to honor outstanding students in the department. Each month a student received recognition and a five dollar gift certificate for a local bookstore.

Emphasis within O.P.T. was placed on basic living skills, community awareness, citizenship and successful employment.

O.P.T. isn't a regular class, it's a program to help students with special educational needs. Students were actively involved in the world of work through actual job placements with many of the fine business and organizations throughout the community.

Drill Team Reaches Their Goals

Drill Team try-outs were held in the spring. A hundred-sixty girls went through eleminations of interviews, faculty recommendations and then a dance and precision drill routine. Thirty-six girls were choosen for the team. Club members were selected on talent, ability, and personality.

The captain Teresa Feller and Co-captains Brenda Colon and Sue Olson were selected to represent the Bethel Drill Team.

"To see each girl grow in talent after each performance and becoming close friends is the best part of Drill Team." commented Captain Teresa Feller.

The girls were kept busy by entertaining at home football and basketball games, but they also performed at pep assemblies, the Pow Wow, Showtime, Daffodil Parade and State Competition.

To raise money for uniforms and competition, Drill Team had bake sales, a rock-a-thon, a bowl-a-thon, and an after-game dance during basketball season.

The Drill Team girls sew or accumulate their own costumes to make each performance special.

The routines, made up by the girls on the team, have a variety of movements and are both dance and drill.

At their second year, of competing, Bethel Drill Team met their goal to get an excellent rating. The ratings available were participant, good, excellent and superior.

Mrs. Miller, the advisor, expresses her feeling for the team, Drill Team has been for the team. This has been a family and each girl has worked really hard at doing their best for the team. This has been a rewarding year for both me and the girls!"

Pow-Wow Promotes Spirit At Bethel

Pep Club, one of the biggest spirit promoters at Bethel, did a fantastic job throughout the school year. One of the main events held was Pow-Wow, a big fund raiser. For the Pow-Wow, Pep Club was in charge of organizing all the entertainment, the decorations, taking tickets and getting publicity.

Pep Club honored sports' efforts and achievements by giving an assembly in their honor.

There was an abundance of additional members. In fact, membership doubled from 20 to 40.

Chris Truman, Pep Club President, commented, "Pep Club worked really hard to get people involved and promote spirit at Bethel. I believe we achieved this goal."

Anyone who wanted could submit any of their works to Penaissance. The Penaissance staff of students picked the final selections of work to display.

This blurb was written by the students of the Penaissance staff: Penaissance, child of brilliance, conceived by parents of inspiration, born March 19, 1982 through the pains of creativity, psychologically intact, philosophically inclined, devoted to excellence, individuality, and freedom of expression, eternal.

Spanish Club Had A Successful Year

The Spanish Club of Bethel High underwent some changes during 1981-1982 school year.

The major goal has been split between having been with and learning and a planned trip to Mexico.

Through the things that they have learned about, songs, dance, and culture, these were many activities involved. The most successful was the Fiesta de Nauidad. Between 100 - 150 people enjoyed a Mexican and an evening of entertainment.

"I like being advisor of Spanish Club because its less structured than a classroom and its a pleasant atmosphere. We have lots of fun," commented Miss Culloe.

Chess Team Is Hard Work

Imagine seating over a checkerboard, manipulating a team of pieces, trying desperately to capture the opponent's king; this is what the Chess Team experienced every time they sat down to a match.

The Bethel Chess Team performed excellently, finishing first for their second year in a row. Chess Club president, Todd Burnworth commented, "The Chess Club is looking forward to a great season next year to follow up this year."

The team won every match in their league, and tied with Stadium. At Shoreline Invitational Chess Tournament the team won two out of three taking the championship.

"Bethel players showed up superior to other league players and matched well with other top players in state," stated coach Amundsen.

Choir Kept Busy All Year

The music department grew successfully throughout the year, especially with the hard working choir students enrolled in Bethel's fine music program.

A Capella and Girl's Choir each consisted of about 40 selected students. These students took a part in money making projects such as sponsoring dances, like selling tupperware, and other fund raisers, including candy and jewlery sales.

The two choirs performed at requested areas; gradeschools, junior high schools, churches, three school concerts and also competed in the South Puget Sound League Contest and the Bethel District Festival.

"Glory to the Father" was another group of 13 students who usually sang at religious services and focused on Christian music. "Glory to the Father provides a real service to the community with their inspiring music," commented Den Sammon, choral director. Another outstanding group was "Swing Choir" and they sang jazz, blues, and various other types of music. "We let our personalities flow and we enjoy the music." stated Brent Nice, Swing Choir member. Yet, Bethel's Music Program holds other fine music groups; Girl's Ensemble and Junior Quartet who also sang throughout the Puget Sound area.

The students at Bethel High took hours of practice and lunchroom recording sessions to put together an excellent record album including the two performing choirs.

The highlight of the year, seemed to be without a doubt; the choir trip. Students toured to out-of-state schools and performed. The kids gained experience from this and they learned to recognize their own individual talent to sing.

Yearbook Takes Dedication And Hard Work

The "Bethelonian" staff worked many long hours on Bethel's 1982 yearbook. Our annual was one of the few books around whose staff did it's own paste up. Paste up consisted of 1) drawing layouts on two boards (pages), 2) taking the pictures, and 3) pasting the pictures directly to the pages.

Bethel's yearbook staff was hand picked from the student body. Students were asked to join, recommended by teachers or counselors, or applied on their own initiative. The prerequisets for being on the staff were having at least a 3.2 or above grade point average as well as being dedicated and hard working. The staff stayed after school for hours during deadlines. "Sometimes we were out of class all day as well." stated Editor Emma Sandeman. That's why we have a 3.2 grade point average requirement. The students couldn't let the yearbook get in the way of their grades. They had to be kept up.

The staff learned and grew from the many experiences that it shared together.

New Club Takes Aim

The Archery Club began as an idea when in November, 1981, students Dean Smith, Rick Brodwell and Duane Dyer conceived the idea of forming a club to pursue their interest in archery. They conned Mr. Manthy into serving as an advisor and the initial meeting was called to develop a constitution and elect officers. The first officers were Dean Smith-President, Rick Brodwell-Vice President, and Don Brown-Secretary. By early December, the constitution was approved by the A.S.B. and the club became an official part of Bethel High.

Practice was squeezed into the lunchroom between Drill Team and gymnastics practice on Tuesday and Friday afternoons from 2 to 4. Targets were borrowed from the P.E. Department until new ones could be purchased.

The primary function of the club is to help members develop their skills in archery, but tied in with that goal, an increase in school spirit and a sense of competition are becoming increasingly evident, as with any sport, safety is a very necessary consideration and good safety practices are a strict requirement of those who participate. Eventually, competition with other schools and participation in open tournmanets are expected to become part of the club's activities.

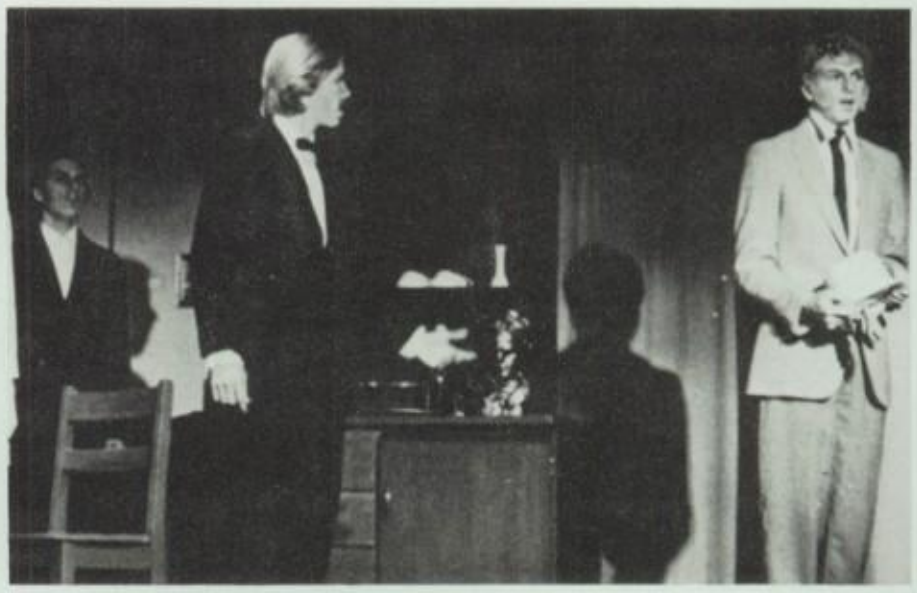
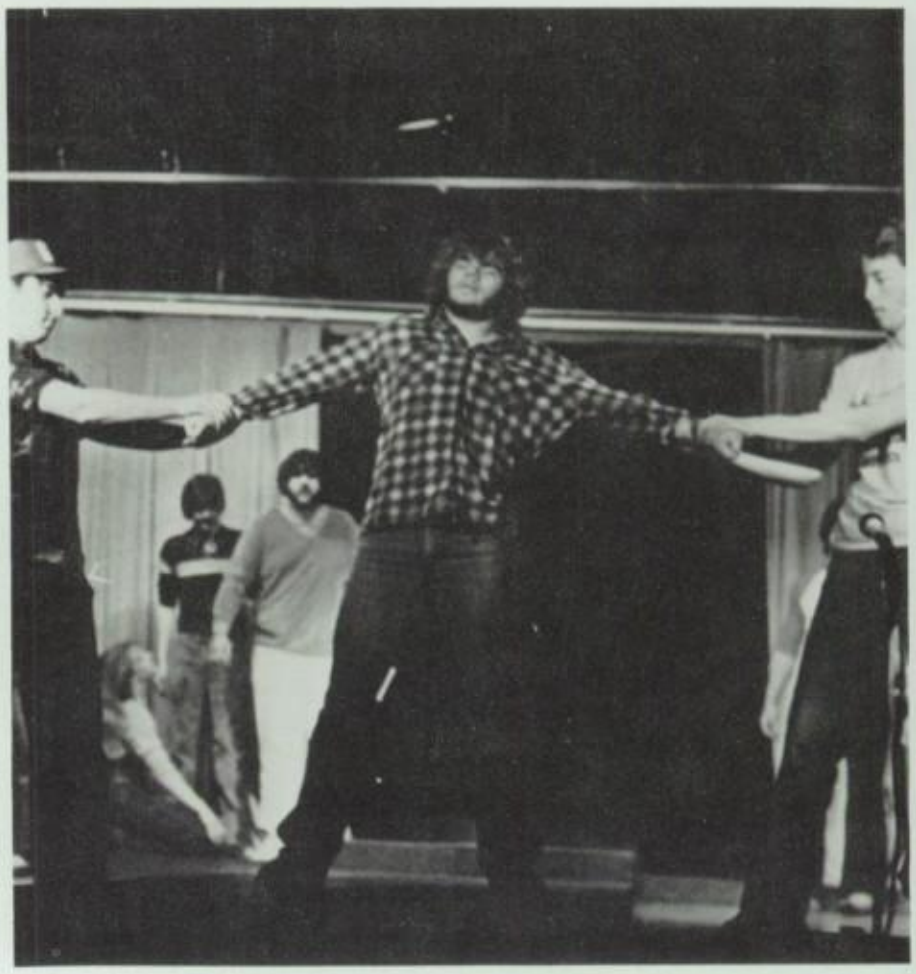
The three year old VICA Club is building a program very much needed at Bethel.

"There's more to work than doing a job, and VICA is an organization that helps to build those skills", stated the advisor, Mr. Long.





New Advisor Inspires Thespians

Thespians is a drama group whose purpose was to give drama students a chance to further their acting skills and abilities.

They attended the State Thespians Conference at the Holy Names Academy in Seattle. At the conference they learned about make-up application and lighting for stage performances. They also studied advanced acting techniques and pantomiming.

The Thespians presented a scene from "Charlie's Aunt" at the conference.

The group also participated in a Festival in Auburn where they performed a one act play.

To raise money for these activities they sold ice cream during lunch and refreshments at the plays.

Thespians goal was to increase the size of the club. This was accomplished by a very talented group of people.

Mr. Little commented, "I enjoyed being advisor for this gorup of great kids. I wish I could have spent more time with them."

One day a week Mr. Anderson, the advisor and an average of thirty students, went to Sprinker and played tennis for three hours.

To pay for court rentals at Sprinker the club sold flowers on Valentine's Day and sold Rubik's Cube key chains at various times throughout the year.

"To learn better skills in tennis, exercise, and most importantly to have fun," were a few of the reasons for Tennis Club as stated by Mr. Anderson. Andrea's Final Year

The Varsity Football Team started off the season winning three out of the first five games but then things got tough. They ended with a three win, six loss record.

The Braves got squeezed out of a first game win by Lakes with a 13-14 score. They bounced right back, balanced on both sides of the line with a 3-3 record. Half of Bethel's losses were decided by one touchdown or less.

Only time will erase the tremendous feeling of elation the Bethel students had when the Braves ran right over Jefferson on the way to a 61-14 slaughter.

This was the final year that Bethel had Mr. Rob Andrea as head coach. He left Bethel to further his education and to be an assistant football coach at the University of Utah.

"Super" And That's A Fact

"The season was super! We had an extremely talented group." Mr. Tingstad said, smiling as he recalled the Freshmen football season.

This is not just opinion, but fact. With a tough defense and some key offensive players the team finished with a 6-0 record and 2nd straight Jr. High Football Championship. Quarterback Bill Oliver led the offense with his passing and was a strong leader on the field.

"Having to walk down to the Junior High everyday to get the equipment was a bit of a hassle, but the group was very cooperative," commented Coach Tingstad.

As the year progressed the girls and coach Baginski became a unified group with a dual purpose; to try to win and have fun. The girls stayed enthusiastic, excited, and always ready to play.

"I was surprised how fast the girls improved in such a short time," commented Coach Anderson.

1981 saw the Bethel Cross Country program take a giant step toward the top of the S.P.S.L. The boys returned to the district meet for the first time in three years while the girls had their best season since 1978.

The enthusiasm displayed by the team combined with the experience and poise of the veteran runners enabled the braves to improve each meet, peaking at the sub-district meet.

Led by sophomores Scott Tomchick and Jayne Langley the boys and girls each improved two places to finish 4th and 7th respectively in the league.

Though losing eight seniors the braves return nine letter winners for 1982.

Girls Cross Country, "True Brilliance"

The Girls Varsity Cross-Country team competed with only five girls. Despite the size of the team, the girls showed a lot of courage and togetherness over the three mile courses. Senior Rhonda Poage provided the experience to help a team made up of four other sophomores.

Jayne Langley showed a great deal of fortitude and ended up placing seventh in the Sub-District meet. Dina Durbin competed in her first cross-country season, showed signs of true brilliance. She placed in the top thirty at Sub-Districts. Stacey Whitson, a sophomore, improved over four minutes on her three mile time by the end of the season. Sirgina Borrero also improved over the season and Sirgina's attitude provided a great uplift for the team.

The Girls Cross-Country team improved the entire season and had fun doing it! With more girls out next season, the girls could be top league contenders.

J.V. Volleyball, Encouragement The Key

"Excellent!" Annette Eveleth exclaimed about the J.V. Volleyball season.

Coached by Kevin Aoki, a student at Pacific Luthern University, the team went all the way to take the SPSL championship.

The deciding game was against Federal Way. If they lost, they would have lost the championship, but with the great Brave Spirit they pulled through.

Winning 8 games out of 9 it is obvious that everyone worked well together and all the games were a team effort. Keeping up mentally was one of the advantages of the J.V. team. One player commented, "It really helped to have the encouragement of the other players."

The main goal for the J. V. basketball team was to improve individual and team skills and thats just what they did to be 4th in the league with a 10 win - 8 loss record.

Coach Ball remembered the two Puyallup games as being the highlights of the season. Both games in front of big crowds with lots of spirit. The first game was won by one point and the second by three.

Mr. Ball had this to say about the year, "I was very impressed, my first year at Bethel, by the type of players we had and the spirit of the fans and cheerleaders from Bethel. I was proud to be a part of it."

Undefeated Champions

The 1982 Freshmen basketball team was exciting, aggressive, and extremely talented.

The team had a pressing, fastbreak style of play which was enjoyed by all Bethel spectators.

The group was led by the 17.6 game scoring average of Mark Tingstad, and the play of Ron Olmos, Dwayne Herlinger, and Bill Gehri.

With the great coaching of Mr. Ron Schmidtke, the team finished off the season as league champs with a record of 10 wins and 0 losses.

"Tracksters Show Enthusiasm, Effort and Improvement"

"The enthusiasm, effort, and improvement have been outstanding," Commented Coach Leifson on the girl's and Boy's track team. They sent several individuals to state and ended with a strong league record.

Participating in a non-league meet against Spanaway Lake, the team was able to compete against former Bethel tracksters. Other events beside the five league meets were the Highline Relays, Girl's and Boy's Crossover, and the State Qualifing Meets.

Bethel also hosted the first annual Bethel-Pierce County Championship Meet, which they hope will continue for many years.

To raise needed funds, they had a cake walk, and an hour Run-a-thon.

A strong incentive for the dedicated team was a free steak and lobster dinner promised to state qualifiers by Coach Leifson.

Defense, A Strong Point For Soccer

Being a young team had it's advantages and disadvantages for the Bethel High School Soccer team.

Throughout the season defense was a strong point and two seniors, Gene White and Kevin Iverson made all State Caliber.

The Boy's Soccer team had a sixteen game season, and a highlight game was the match against Clover Park, when Bethel won 6-2.

"We've layed down a good foundation for the future." Commented assistant coach Ueland.

With a twenty eight member team many improvements had been made in defense and offense.

"Doing my best for the team." was Charles Sarenson's comment when asked about his personal goals.

Improvements Evident On Girl's Slowpitch

The 1982 Girl's Slowpitch Team was a blend of established veterns and a super group of talented sophomores. Five sophomores broke into the starting line up along with seven returning starters and became a very competitive team.

The team started slow but improvement was evident each time out. Timely getting and a consistently improving defense became a common characteristic of the 1982 team.

Coach, Mr. Tingstad stated, "We had the potential of being an outstanding team, providing we could execute basic fundamentals. The team dedicated themselves to the fulfillment of being the best they could."

Comeback Victory Was Highlight Of Season

The Bethel Varsity Baseball team, under the direction of Mr. Melton and pitching coach Rick Shadle, showed remarkable development in the skills of the game and emotional development.

The team had five seniors and only lost four starters off the team. They had some hard workers and everyone played well as a team.

Beating Decatur with a comeback Victory was the highlight of the season.

Mr. Melton commented, "We tried to think of ourselves as a team in every aspect of the game and not alot of individuals.

J.V. Baseball Starts Off Successfully

Bethels Junior Varsity Baseball team had alot of fun. They started off with a successful record and ended up with very good standings. Many of the players alternated between J.V. and Varsity; such as Matt Rogers and Jerry Beaudoin. About half of the team did this. Eric Smith was one of the strong points of the J.V. team on second base. Matt Rogers, left field, commented, "It was a great experience!

1. Steve White awaits his turn at bat. 2. Paul Amundsen swings with all his might. 3. Glenn Privette makes the play. 4. Mark Webb closley protects first base.

Good Coordination Advantage For Tennis Team

Having quick learners helped Bethel's boy's tennis team play the best tennis that was possible.

Good coordination, easy working, and smart seemed to be qualifications every team member learned being on the team.

The seventeen member team played 13 games in their regular season, league tournaments and district tournaments.

According to Coach Anderson, "The guys are really great to work with, they're smart and well coordinated, I'm looking forward to next year."

Queen Julie Reigns Over Pow Wow

Pow Wow started off the spirit of homecoming by bringing all of Bethel together. The seniors were well-deserving of the award for Best-Over All Skit.

The royalty was present at Pow Wow. John Hall and Julie Underwood were crowned King and Queen. Juniors were Steve Devore and Viola Schwartz, Ed Tingstad and Nicole Stancato represented the sophomore class and the Freshman royalty was Bill Oliver and Leslie Rich.

The night of October 20 was very cold, but that didn't prevent all of Bethel's avid football fans from watching our homecoming game against Rogers.

During half-time Queen Julie Underwood rode with the court around the field in corvettes. Afterwards the band and the drill team performed.

We did lose the game, but that didn't prevent everyone from having a good time at the dance afterwards.

Sandy Furtaw Crowned Daffodil Queen

The Daffodil festival for Bethel began early in the fall with the selection of Bethel's court. From there Sandy Furtaw was selected to represent Bethel as princess.

Early in January Bethel's float committee got into the act designing the float and shortening it eight feet.

The main event for Bethel was on February 23 when Sandy Furtaw was selected to reign as the 1982-83 Daffodil Queen.

Since Queen Furtaw represented Bethel in the festival, Bethel was one of the main events at the festival's Grand Floral Street Parade April 3, featuring Bethel's marching band, drill team, and cheerleaders.

Kathy Reese Awarded Miss Congeniality

Kathy Reese was chosen to represent Bethel at the 1982 Afro Pageant. Unlimited American Powers Club supported Kathy all the way, financially as well as encouraging her emotionally.

Kathy took on her responsibilities by writing a speech, getting a costume and an escort, and preparing a dance to perform for the talent part of the pageant.

The pageant was held on March 26 and 27 at Jason Lee Junior High. Kathy was awarded the title of Miss Congeniality.

Dancing-Music-Refreshments-Fun-Hoe Down!!

The greatest country dance of the year took place on March 12, 1982. That evening approximately seventy-five couples dressed up in their country garb and kicked up their heels to some good ol' country music.

The cafeteria was brightly decorated with multi-colored streamers and hay bales. There was also a saloon where refreshments and punch were served.

The couples enjoyed a mixture of country and rock music.

Vanessa Jorgensen, Honor Society president, commented, "The Hoe Down is the main activity of Honor Society, so we put a lot of time into it. I'm glad it went as well as it did."

Sophomore Tolo, A Great Success

Everyone had "Sweet Dreams" at the sophomore Tolo held Friday, March 26, 1982. The Bethel High School Gym was decorated with pink, blue, and white balloons, streamers and clouds.

The band Saturn was a great success and truly enjoyed by everyone.

The coronation of Jerry Asbjorsen and Colleen Owings were crowned King and Queen. They danced to the Tolo theme "Sweet Dreams" along with the rest of the royalty court, which included, Danette Austin, Mark Plumb, Nicole Stancato, Jeff Hayden, Jill Marshall, Mark Lucus, Nadine Ohlson, Rich Smith, Annette Taylor, Robert Cardoza, Julie Acosta, and Joe Caldwell.

The Tolo was a success due to some super people like Mr. Mosier, Mr. Larson, and Stephanie Watson, the general chairperson. The Tolo committee worked many hours blowing up balloons, and making decorations.

Mr. Mosier said, "In all my years of advising groups, I had the best clean up crew ever. Thanks everyone."

"Don't Stop Believing"

On November 20 a very special event took place in the Bethel High School Gymnasium. The Junior Class sponsored a prom that brought great memories to all who attended. Decorated in shimmering silver and shades of deep purple streamers against an arey of ballons, a beautiful atmosphere was created. The mood was set by a mystical half moon and clouds, as students danced to the music of "Blind Alley."

"It was a very good Prom, the kids danced all night long, from the first song to the last," commented Mr. Shaumacher, Jr. Class Advisor. Highlights of the dance included the crowing of Queen Brenda Taylor and King Glenn Marzano, also, the exchange of sterling silver roses from the royalty court.

"Don' Stop Believing" was the theme chosen by the Class of 83. Jr. Prom organizers, Cassy Soden and Kathy Crisostomo commented, "Don't stop believing, no matter how high, keep reaching for the clouds."

Seniors Enjoy Final Dance

The plans for the senior ball flowed smoothly all the way to make the class of eighty-two's dance a success.

Seniors voted early in the year on the colors and the theme song. Aqua and silver decorated the dance hall at Ft. Steillacom with its low ceiling, carpeted floor and overstuffed chairs. The Pam Shain Band provided the music and ended the ball with the theme song, "Through The Years" by Kenny Rogers.

Several couples attended the ball held on Friday, April 23rd. Bryan Judkins and LeeAnn Lindsey, Richard Smith and Sandy Lee, Kelly Almquist and Valerie Hall, John Hall and Kelly Valor, Tony Roehl and Natalie Stephenson, Russ Valentine and Karen Lindberg, Ed Voss and Vicky Reed, Bob Hallock and Angie Lantz were chosen as royalty for the ball. Magnus Dyrssen and Julie Underwood were crowned King and Queen.

Mr. Pierson worked closely with the senior ball committee and commented, "The only problem we had was a small dance floor, but that didn't keep the seniors from enjoying their senior ball."

The Life Of Walter Sahli

Seldom in life does any person have an opportunity to hold a job for an entire career in an area he loves and do the job he enjoys. Mr. Walter Sahli, vice principal of Bethel High School, has had this opportunity and as he looks back on his 30-years of service to Bethel area students he says that he appreciates it. He has found great pleasure in working with students he likes, in an area he loves, in a community he respects and with people he considers sharing, caring friends.

Mr. Sahli describes himself as a "simple, down-home type of person who has never had any great desire to be the wealthiest or most powerful person in the world." He was born on a farm on the present site of McChord Air Force Base, spent his first 12 years on this dairy farm until the government bought the property for the Air Base. The family then moved to another dairy farm in the present Bethel District where he lived until he entered the service during WWII "the big one."

He has spent his entire educational life in the present Bethel Schools or nearby colleges. He attended Spanaway Elementary, Kapowsin High School and Pacific Lutheran University. In school his major activity was athletics-having lettered football, basketball, and baseball at Kapowsin High School. At P.L.U. he lettered for four years as a third baseman for his college team.

Following his school days at Kapowsin High School, Mr. Sahli, entered the U.S. Navy and served as a yeoman for two years during World War II. Upon completing his "hitch" with "Uncle Sam", he enrolled in P.L.U. and majored in biological sciences and education.

He started his teaching career at Elk Plain Elementary School, near his childhood home, and taught elementary students for his first two years of his career. The next six years he taught most of the biological sciences at Bethel High School where he especially enjoyed taking his students on field trips to collect a wide variety of ocean specimens which they would bring to school and have the home economics cook for the class to eat-some of these tasty items were octupus and eels.

His no nonsense approach in dealing with students, his interest in helping students and his great organizational skills lead him into the Head Counselor's job at Bethel High School for the next 14 years of his career. For the past 8-years he has served as a Vice Principal at Bethel.

During his teaching, counseling and administrative career, he extended his desire to work with students outside of the school day to include serving as recreation director for the Bethel Summer Recreation and Swim Program. He has also advised clubs and classes at Bethel High School over the years he was a teacher and a counselor.

Mr. Sahli and his wife, Phyllis, were married in 1949 and they have two sons and a daughter.

Future plans for him include relaxing activities including his great love of fishing, hunting, and gardening. He hopes to spend some time traveling around the state and the United States.

Asked tor some general thoughts as he approached his retirement date, Mr. Sahli says he "has no regrets in any way for the manner in which I have spent in my home community. I respect and feel very close to a profession I admire. If there were any bad times it is probably during the up and down days of local community financial support when we have had to fight to get levy support to get finances to educate the community's children." He feels that the Bethel District has "been fortunate over the years to attracted the superintendents we have had who all have worked hard at a very difficult job and have improved our district. In fact, the Bethel district has been fortunate to have attracted dedicated and effective teachers and classified personnel over the years."

The time and effort my staff put into this book has made it an experience we won't forget. There were times throughout the year when I doubted I would ever see this book completed, but as we neared the final days of production, everything came together. I would like to thank John Hall, Dana Cammarano, and Darin Borden for playing their practical jokes; you helped us all release tension with a good laugh!

By the end of the year we had become "one big, happy family" and I want my staff to know that I sincerely appreciate all their hard work and dedication throughout the year. My photographers spent many late nights and early mornings printing pictures for this book. They deserve all the credit in the world. Special thanks to Russ Blank of Perler Photography, Glenn Marzano, and the Brave Talk Staff.

I would also like to thank Mr. C.J. knaggs for his help, understanding and most important of all, for the faith he has in us. I appreciate the moral support of Mrs. Donna Morgan and the patience and understanding I received from Mr. Mosier. Special thanks to my assistant Editor Vanessa Jorgensen for all her help.

Editor,

Emma Sandman
